

GHX ePay

A Smarter Approach to Accounts Receivable

GHX ePay helps reduce payment complexity with a unified platform

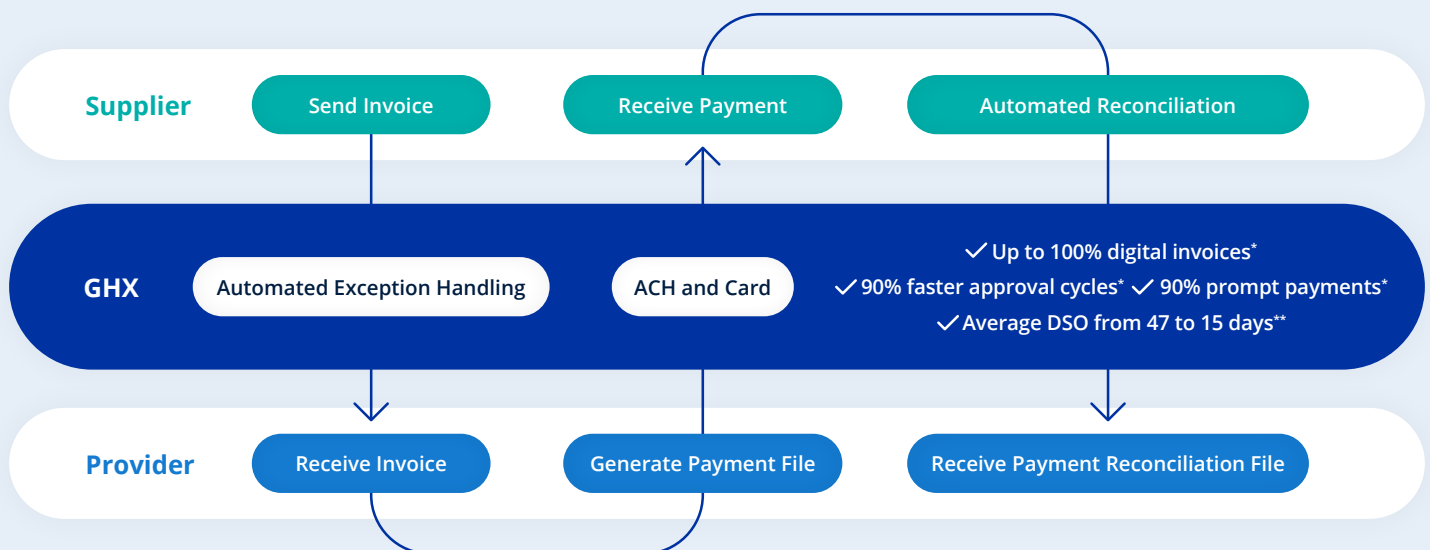

Designed specifically for the healthcare industry, ePay provides a unified payment platform to help Accounts Receivable (AR) work smarter, while also addressing the needs of your customers. This unsurpassed electronic payment technology can help you move toward a touchless, order-to-cash system with streamlined processes so you can focus on growth.

Benefits of ePay

- Automates and streamlines your AR process
- Reduces costly payment fees
- Helps you reduce DSO and better manage working capital
- Gives you more control over early-pay discounts

Move closer to a touchless, order-to-cash system

Imagine a future where your operations could be automated from order to invoicing to receivables to cash. With ePay, it's becoming a reality.
